

PRESCHOOL Wheel Of Choice

Casa de Corazón uses positive guidance and redirection to teach preschoolers the appropriate way to interact with their peers.

The Wheel of Choice empowers children to solve their own problems by giving them different techniques that they can choose.

The problem-solving techniques that the Wheel of choice has are:

- SHARING and taking turns
- COUNT to 10
- WORK IT OUT together
- COOL Off SPOT
- ASK them to STOP
- BE a FRIEND
